

## NORTH MIDLANDS CROSS COUNTRY LEAGUE

At the time of writing there is still no prospect of staging a league match and the Derby event at Markeaton Park on October 10<sup>th</sup> is postponed to a future date. The next rounds at Kettering and Heanor will be dependent on Government guidelines and those of UKA and EA.

Encouragingly there are plans to hold the ECCA relays at Mansfield albeit in a reduced format.

Those clubs who have sent their entries will not have their cheques cashed until we know that the League is going ahead.

Whilst there is nothing positive to say at this moment please be assured that, if the opportunity arises, we will respond promptly and get the NMXCL up and running.

Kind regards,

Mick Robinson,  
League Secretary.
